

Empowering churches to greater health. Together.

Greetings!

My name is Kevin Spratt, and I am excited to be one of the newest members of the Revitalize Network team. The mission of the network is **empowering churches to greater health**. Over 4,000 churches will close their doors in the next year, and our goal is to create a network of churches that want to reverse this trend. In short, we want a network that helps churches move **from flatlined to flourishing**.

In just 2 short years the network already has **over 100 partnering churches** from across the country and denominational lines. Since 2017 **Revitalize Network has helped 300+ churches** in revitalization efforts. We are excited to expand our efforts into the first ever event hosted by Revitalize Network. Revitalize 2020 will be held in Bradenton, Florida on April 20-21, 2020. We don't want to execute just another conference all on our own, so we have partnered with Idea Network. Thom Rainer has called the network "A movement of God's Spirit," and Carey Nieuwhof has said they are, "A top creative group on the rise." The partnership of Idea Network and Revitalize Network provides an amazing opportunity to offer a unique time of encouragement, training, and connection for pastors and church leaders. **We anticipate a sold out crowd of 500.**

Enclosed are sponsorship opportunities that I hope you will prayerfully consider. God is on the move, and we simply want to partner together in His work. We appreciate your time and consideration.

In Christ,

Kevin Spratt
